Poisonous

You like that?

Tech N9ne

Now you know that I'll never give you anything that will hurt you right baby So try this Yeah Yeah

I saw you back where we began Then you took me for a spin And Captivated brought me in and now See I still watch you from a distance Lost in you lose all resistance Poisonous the way you took me out Cause ahh you-oh-oh-oh-oh-oh-oh-oh got the best, of me Cause ahh you-oh-oh-oh-oh-oh-oh-oh got the best, of me

Nina

I'm like a walking drug I can make your lady pop X Want sex from a nigga like me I can feel her nightly Even make her fall off in love Get away lost off in hugs Stalkin blood for an awesome plug This is addictive Vicious and wicked slick talkin stud I take good gals Recruit um, pollute um Put X in they wood valve To shoot um They chewed um up and true enough They would be poppin, droppin, pursuin us Plus screwin the crew an such A ruined slut livin through a nut That was then but now I see um They be on the same shit Brainless Itchin to get that guick trip wanna be painless I don't fuck wit it no more that I can arrange it I was like Dracula attackin her when I give her game Hella vein language It was they choice to trip I kept her moist and slick Now she's an annoying chick I started avoiding Ms. Give her them toys and split I polluted so many women with bad habits and drugs I guess I'm poisonous

I saw you back where we began Then you took me for a spin And Captivated brought me in and now See I still watch you from a distance Lost in you lose all resistance Poisonous the way you took me out Cause ahh you-oh-oh-oh-oh-oh-oh-oh got the best of me Cause ahh you-oh-oh-oh-oh-oh-oh-oh got the best of me
