Tech N9ne

Hey, Tech, it's Whitney  
I just wanna see if we're still on for today  
Call and let me know  
Bye

That's my bad bitch

Hey, baby, it's me, Whitney  
I called earlier to confirm our plans for today  
Just call me back at the house  
666-0666

Yeah

You should get some condoms

You know what, Tech?  
You're so incon-fuckin-ciderate  
You could've called and said "fuck you"  
(yo, hold up, hold up)  
Or something  
This is the type of shit I'm talkin about

What is that?

Hold up, hold up, hold up, hold up, hold up

I only have one question  
Do you think I could ever make you hate me?

This bitch is trippin

Okay... I tried being nice  
And I tried being sweet  
Fuck that!  
You're probably out with that bitch of yours  
You stupid asshole

Can you believe this bitch?

You think I'm stupid, don't you?  
If you think I'm mad now  
Don't let me see your wife  
Walkin down the street

Hold up.

\*bitching fades\*
