Red Nose

Tech N9ne

I got my face painted, crazed aint it That a black dude lookin like he got a white tattoo People thinkin that he way tainted...by evil Treat you like fecal wanna beef you when they meet you People perceive you to be lethal when you aint see through like tissue I feel like the industry givin me vivid stupidity When they distribute these fictitious sissys When I rip it so serious and wickedly...No forgiving thee When I claim the strange everybody tellin me I'm insane with bane I'm an independent, talented individual, But workin with the industry is a reindeer game And they call me rudolph the red They know I don't rip off the mic but I chew off the head Spit it at the PDs and DJs and VJs who be gay you fakin, you get threw off a ledge If you tough we snuffing, Homie trust me nothing Is worse than knowing your beautiful but get treated like an ugly ducking So I'm Rocky Dennis, but I'm so polished nothing can stop me in this Bad in the brain and the good is not replenished The fakers who imitate me and mock me, finished We check the mill, yes its real Through Strange I dont need ya major label record deal

Thats real people act a different way with me I feel that nobody wanna play with me Thats ill cuz they treat me like a stain on they clothes The industry and my foes They treat me like I got a Red Nose Red Nose They put me down and treat me like I got a Red Nose Red Nose Red Nose Dont make me clown and have to go put on my Red Nose

They tend stray away from me because I'm different And its been this way with me ever since I was an infant Other kids were jealous, they say the look off in my eyes seen hellish Never knowing later in life I would relish, The thought of me ballin living my life and sell it I blame it on program directors, go and request us no damn selector But if you got a lot of dough man they bless ya, sure can depress ya When you knowing that there aint nobody better mayne Stuck off in the cold when the bad weather came Now they gotta see me livin it up and cheddar gain Coming from forever pain till it never rains So I throw up the finger, to everybody who got a tore up demeanor Thinkin that Tecca Nina was sho nuf a dreamer But the flow is so heavy that it could show up Katrina Now its time to take it, and you all must face it Tech Nina is sacred, all you hating fagets couldnt see me with lasik Red Nose, the leader so follow, you gotta get ready to get up and go is the motto Made it through everything negative, bravo The money thats coming to me feel like I won the lotto Now I'm bout to put the slay on auto Swoop down on the djs tell em all to quit the replays Make em put Tecca Nina in the Sorado

Thats real people act a different way with me I feel that nobody wanna play with me

Thats ill cuz they treat me like a stain on they clothes The industry and my foes They treat me like I got a Red Nose Red Nose They put me down and and treat me like I got a Red Nose Red Nose Red Nose Dont make me clown and have to go put on my Red Nose

I'm comin and drivin my short bus With this nose I dont need to torch up Bustin through like the industrys Porsche coming after who didn't support us Rip down it's bleachers I blew up cause my sound it ether Underground up and found this creature Not scared of a nigga with clownish features I'm makin a name outside your mainstream Real, it wasnt an insane dream from the beginning I really came clean You about to see Strange gleam, take it over in gain green Strange Music and RBC along with Fontana we gon change things Now its so funny cuz with money I can fly away Or leave them haters off in the deepest darkest hide away Why do they do me wrong? my music truly strong Because I'm different all you cowards wanna shoo me gone Yes this is Strange year, worldwide fames near But the games queer, sometimes I feel like Rudolph the reindeer And the music they said blows, is on top and the cred grows You're gonna have to open up the door for the bro with the Red Nose

Thats real people act a different way with me I feel that nobody wanna play with me Thats ill cuz they treat me like a stain on they clothes The industry and my foes They treat me like I got a Red Nose Red Nose They put me down and and treat me like I got a Red Nose Red Nose Red Nose Dont make me clown and have to go put on my Red Nose
