

Sleeping Beauty

Tech N9ne

It was a Saturday night me and my homeboys decided to dip to the movies, and you know us. Always on CP time. So we entered the theatre and we find our seats. Kaliko wanted me to get something from concessions so I did. So I'm waiting in line and I see the baddest bitch homie! I mean I was like fuck the food, what's your name, nationality and age baby? But I forgot the first two when she said she was SEVENTEEN!! On the inside I was like:

FUCK, SHIT, GOD DAMMIT, MUTHA FUCKA, YOUNG BITCH, WHORE, SLUT, CUNT, WHEN YOU GONNA BE 18?

In the midst of my crisis I heard her say:

Well I'll be 18 in a week.

and I was like Oh yeah? and she said:

Yeah

Man she was a stallion, ass like pow, chest like bang, lips like ohhh, I had to have her cat! Déjà vu

I'm in the movie and I don't give a fuck about it

I keep thinking about a bitch I met at concession

Really a cutie I wanna get up in up out of her

But the identity sayin she is one seven

Fuck the movie I'ma go back and spit at her

Throw at her shit at her like my name is Tech N9ne bitch!

When I said it she went ballistic meanin she was wit it

and loving my complex rhyme shit

I had a brilliant idea to get her back at the crib

and I'd give her some of the bad mimosa

Because I really went Ikea

Got every thizzle if it's comfortable to her than I can hold her

For bout a weekend on her b-day

We can leezay she doesn't know that I'm S-I-C-K

All she know is T-E-C-C-A when ya through workin baby ya gonna go with me k?

I want you SLEEPING BEAUTY

I need you SLEEPING BEAUTY

Son of a SUCH A CUTIE

I love you SLEEPING BEAUTY

Come right in baby, have a seat.

Alright

Would you like a drink?

Sure I'll have one...

and another and another and another and another and another and ANOTHER!

Very woozie

We off in the Jacuzzi

Beauty is juicy, the liquor musta been a doozy

Cause she's talkin hella loosely tryin to seduce me

But I ain't fuckin no underage groupie

But I wish I was fuckin and suckin buckin and crushin and touchin tuckin my stuff in her pretty muffin

But she started huffin and puffin

And talking bout nothing the fact I won't get no lovin is fuckin

Pushin my buttons

Bitch wit ya fast mouth

I want you to pass out

Then I'ma get yo ass out

Shit she crashed out, gotta get her out or she'll be dead soon

Drug her to the motha fuckin bed room

Handcuffed her then I turned the music down
Knock knock knock then I heard a pound
Knock knock knock knock a little more
Somebody's knock knock knockin at my door yo!

Is there a problem officer?
Yeah we got a noise complaint from one of your neighbors, uh you havin' a party?
No, it's just me here man, Imma musician.
Uh we know who you are.
And I'm a star in a movie, that's my projectory here, and the music's already down so.
Well let's try and keep it that way.
I'll keep her...I'll keep it...keep it down, I'll keep it down.

Yay I can hardly wait it's getting closer to our date!
It's been a couple of days
I had to gag her
Back and forth to the bathroom I had to drag her
Cause the drugs I'm givin her make her stagger
Try to feed her food but it's makin me wanna stab her
With the steak knife I try to feed her steak wit
Ok, when ya starve to death don't say shit
I'ma set it to the side til ya hungry
I see that ya energy's tellin me that ya want me
(She said) "I never knew that you would be the one to be psycho
Why ya reading to me from the bible
Get away from me motha fucka I hate you"
On the morning of ya b-day I'ma take you
Days go by and I'm lookin at her hazel eyes
I wanna be her sex slave know why?
Cause you're a beautiful lovely
Want you to trust me
And never judge me
Now do you love me?

I love you, I really love you, I wanna feel you, I wanna touch you, take me outa these cuffs, I wanna hold you!

Look at her sexy ass
Beautiful panties see through like plexi glass
Rip 'em off of her like an animal mesh we clash
On the bottom she put her hand up on my Nestea bags
Heavy kissin and heavy pushin
If this is heaven I wanna stay
Lord please never take it away
Happy birthday baby
this is how I'm gonna be lovin ya
and then she put the steak knife through my jugular
Now as the blood trickles
My body wiggles
I'm lookin up at my beautiful baby while she giggles
I never thought that it would end this way
This ain't how I wanted to spend this day
The webs we weave are so damn tangled
I guess my baby really didn't like my angle
I lie in a puddle of blood neck mangled
I live and die by the hands of an angel
