What!

This is dedicated to the young gang niggas on 56th and  
Highland

Nigga

Get yo money fool, yeah

Dont ever let them niggas tell you that they better  
Than you man

Its all delicious, like this

Till you walk these shoes

You couldn't understand my views

While you on your Caribbean cruise

Im payin my dues

On the corner tryin to hit licks for slips

Trouble making them flips

So I'm bout to smoke a dipped

Now I'm ripped

How could you make a hypothesis on me and my partnas

With you college degree trying to psycho-analyze me

You can't see what I see

You can't be what I be

When I'm deep in this pit of violence

Without parental guidance, nigga

Spot, translation cops watching me every day when I'm

Just holding down my block

Fuck a ?addha?

My brother, My fathers' in jail

Momma fell

So I'm bout to make a sell

What the hell

Gotta get that rel

Then I bail

I smell like sherman

You can tell

The chemicaly it got me wanted to use my genitaly

Up on this bitch, that bitch

The kind that don't want to bust a gang

Ain't got no love, so I'mma Just hit it and hope she

Dont give me what his name

Packs

Need one in case of emergencies

Urgencies

Bills I'm trying to hug

Still you trying to judge

Yelling out the federal prison

Boozy nigga you can cruise

Till you walk these shoes, I'm Living

In the ghetto, packs me metal

Pump this leado, take the neiro
