

With The BS

Tech N9ne

It's late in the headquarters, 2014.
Everyday is a struggle, we dread The day
And pray we make it through the night
Anything turn up we wid it
So I buzz cut my hair,
Put on my please come trip with me suit
Lace my boots tight and what
Ahhwoo ahhwoo ahhwoo
Turn up turn up

Hard time living in this bad and the'
Everybody know vanilla sky is by design
I learn about the' is berried in the lime and they're prime
So you take my chopper, stick it where the sun gonna shine!
Oh, chop, chop! Please don't make you say that!
Tripping cause momma ain't really happy where she stay at?
I can't afford to move her away until I pay that
IRS and a new Maybach, I'm tripping, look on my way, Jack!
Son needs a way through college
Brought it too hars and you gotta pay for true knowledge
Sit around when I get laid off everything they play off enterprise
Be my ' analyze, give me nine, minimise!
I'm kinda tripping, in my gold clothes
Step up with ' for them bolos.
Till my song goes
The average person they're hurting,
Cause for certain everybody's dolo.

I'm with the bullshit tonight
Yeah, if they're tripping, I ain't trying to do right!
I'm with the bullshit tonight
Letting loose on every devil inside
Come on!
I'm with the bullshit tonight
If they're tripping, I ain't trying to do right!
I'm with the bullshit tonight
Letting loose on every devil inside
Turn up!

Yeah, tell them I'm tripping, I evolve with these devils
That the bitch in the ghetto, they can get on my level
I give a fuck about nothing, the way it's' with this medal
Tell them I was tripping in the back of the trunk and I don't'
I don't want no problems, just want you to leave me the fuck alone
For I end up... inside of your home.
My money the funniest layer for the niggas and the hoes
They gotta keep asking them niggas
I don't crash them, niggas, when I passing 'em niggas!
I'm gonna take your seat
'When feel them niggas
I don't want no problems, just want you to give me the fuck alone
For I end up inside of a' and had a neighborh inside of your home
My money the funniest layer for the niggas
And the hoes that got keep asking them niggas
How I'm crashing them niggas, when I'm passing 'em niggas.
'I'm fast for them niggas, when I dispose the trash of them niggas
I'm gonna smash of them niggas

I'm on the bullshit, ain't nobody feel the poor shit
Think I ' as roses balling, I'm also bullshit
Pay attention! It will get no realer
Ain't a killer about the drama
Terroristic, risk it, you can treat the summer
If I don't get your lil balls'with that lama
Bitch, this shit is what we believe and die in nigga'a mommas

I'm with the bullshit tonight
Yeah, if they're tripping, I ain't trying to do right!
I'm with the bullshit tonight
Letting loose on every devil inside
Come on!
I'm with the bullshit tonight
If they're tripping, I ain't trying to do right!
I'm with the bullshit tonight
Letting loose on every devil inside
Turn up!

Cocaine on my momma's table, I'm out of line
Going lines, open wide, nigga is suicide
Blood in my vein, hella drugs in my vein
Rap with the strap, keep the dwags entertained.
All my foes, I live critical, they're pitiful
I'm a five star general!
East side cannibal, West Side salute
All these kids my students
Class feeling session
It's you that I just recruited
Turn up!
Look, I came to bustle motherfucker ahead!
Got some wild knuckle head, killers bucking'
I came from the bottom, know I'm on the roof
I'm big head instead of coop, never had a roof!
Thug life got that 2Pac up on my boom box
Guessing on these pussies, don't breaks the way I do stuff
We're all with the bullshit, and I'm the boss
When I holler shake down, we gonna sell it out!

I'm with the bullshit tonight
Yeah, if they're tripping, I ain't trying to do right!
I'm with the bullshit tonight
Letting loose on every devil inside
Come on!
I'm with the bullshit tonight
If they're tripping, I ain't trying to do right!
I'm with the bullshit tonight
Letting loose on every devil inside
Turn up!

So witty, if you want it, then you gonna get it
So terrific with this bullshit, the best that did it
The best to give it, give me, live it and I'm diving in it
These pussies talking, they don't want it, they don't ever did it!
Aiming boss, then I boast, then I'm boasting, boss
Blew it, gush in the rush from the school crush
Score our thoughts being' from these wars fought
Real talk, I'm a validated war hoe
History, this ain't shit to me, let's get it, V!
Click the heat, no defeat, I need victory
It's meant to be what this villain nigga is built to be.
' seek the story, fuck the enemy!
Snapping the news in advance'

Fuck it, I'm wearing no mask,
Jump out, I'm dumping the'
Crushing, contusing these flats
I'm moving, the school getting'
'Ain't helping your ass
Leaving the side of a mask.
