

You Don't Want It

Tech N9ne

When you see me smilin'
I'm really frownin'
You think you really wilin'
I'm killa clownin'
Meaning I don't give a fuck about nothin'
You say that you do because stupid
Iz how everybody soundin'

Niggah you think you know me
But only if you knew me homie
You would leave me by my lonely
I'm thinkin' death and destruction
Imagez of blood n pus and
I ain't lookin' for nothin' but trouble
Thinkin' of murderin' you when I'm just loungin'
That'z just the devil (just the devil)
Block it out and keep it movin'
I'm evil and this pussy that I'm pursuin'
Gimme the bible yes I need it
Cuz tecca nina'z in ruin
Mentally I'm fuckin' up when I really don't know what I'm doin'
My tolerance for physical pain is gained rapidly
I'm gobblin' more thizzlez than thangz but it came back at me
The holy father musta flipped and became mad at me
Because I'm ponderin' a wicked insane strategy
How to end it all?
Many men will fall
And he sin us all
Nina been involved
You don't really want it with me punk
You don't have tha gals
Taste the blood on my toungue make me wanna brawl
The sentimental shit
Plus it's the pentalty for any bitch who try to rekenal
Bitch I get to temple hit
Bout to bubble about to pop just like a pimple get
See something so insane I'm so not for simple shit
So tidda tadda mutha fucka if ya want but just keep it to tha left of me
Crazy till tha death of me
Pussy, money, more money, blood, guts is the recipe
Having hella drama for ninna is an necessity
Good and bad is fighting within me and I'm tha refree
Shit is lookin like it is evil gettin the best of me
Bitches thinkin I'm pleasant really wantin to sex with me
I'm promising you I'm losing it
You don't really wanna mess with me

You don't wanna see me runnin with tha thang make it chica bang bang
