

Are You Ready

Technotronic

Tell me, are you ready?
Are you ready for the night time life, the summer time love?
Tell me, are you ready?
Are your ready for the night time life, the summer time love?
Tell me, are you ready, are you ready?
Tell me, are you ready, are you ready?
Tell me, are you ready, are you ready?
Tell me, are you ready?

Hoppin' all around the dinky dance floor.
Pop into sight, jump before going
Up, down, taking it all to town.
Give it away, don't play, baby, I said
Shake or break, and make no mistake.
It aches but you can take it,
Up, down, 'n around 'n rewind.
Come and get one more for the mind.
Summertime, I'll make you hot.
You're givin' me the fuel and I can't just stop.
Now pump up that body, baby.
Make my mind go crazy.
All the love that I have inside.
I know for a fact that
If you would die, I gotta be hard not soft,
And gimme some summer love.

Get on the floor where the action is.
You can get down about your business.
When I'm old I hope to be sold.
The truth unfold and the stories told.
If you're willing to say no more,
Get down for shockin' n' rockin' the floor.
Move it to the rhythm, groove with the flow.
You know what you got to show, now let's go!
