

## Can't Live with 'Em

Ted Nugent

It was hit and run when ya took my heart away  
Nothin' you could do to change my mind  
Nothin' you could say to make me stay  
Here I go alone, into the night

I can't live with ya  
I can't live without your love  
I can't live with ya  
I can't live without your love

You terrorize my dreams at night  
I crave your touch to chase my blues away  
And nothin I could say to make ya stay  
Here I go again, into the night

I can't live with ya  
I can't live without your love  
I can't live with ya  
I can't live without your love

I try and try to change my mind  
There ain't much hope  
Now ain't no time  
The situations got the best of me  
Awwwwww yup....

Nothin' I could say  
To make me stay  
Here I go again  
Into the night  
Here we go baby...

I can't live with ya, can't live without you  
I can't live with ya, can't live without you  
No  
Can't live with ya, can't live without you  
Can't live with ya, can't live without you

No, no
