

Can't Live with 'Em

Ted Nugent

It was hit and run when ya took my heart away
Nothin' you could do to change my mind
Nothin' you could say to make me stay
Here I go alone, into the night

I can't live with ya
I can't live without your love
I can't live with ya
I can't live without your love

You terrorize my dreams at night
I crave your touch to chase my blues away
And nothin I could say to make ya stay
Here I go again, into the night

I can't live with ya
I can't live without your love
I can't live with ya
I can't live without your love

I try and try to change my mind
There ain't much hope
Now ain't no time
The situations got the best of me
Awwww yup....

Nothin' I could say
To make me stay
Here I go again
Into the night
Here we go baby...

I can't live with ya, can't live without you
I can't live with ya, can't live without you
No
Can't live with ya, can't live without you
Can't live with ya, can't live without you

No, no
