It was hit and run when ya took my heart away Nothin' you could do to change my mind Nothin' you could say to make me stay Here I go alone, into the night

I can't live with ya
I can't live without your love
I can't live with ya
I can't live without your love

You terrorize my dreams at night I crave your touch to chase my blues away And nothin I could say to make ya stay Here I go again, into the night

I can't live with ya
I can't live without your love
I can't live with ya
I can't live without your love

I try and try to change my mind
There ain't much hope
Now ain't no time
The situations got the best of me
Awwww yup....

Nothin' I could say To make me stay Here I go again Into the night Here we go baby...

I can't live with ya, can't live without you I can't live with ya, can't live without you No

Can't live with ya, can't live without you

Can't live with ya, can't live without you Can't live with ya, can't live without you

No, no
