

Girl Scout Cookies

Ted Nugent

I like to eat my girl scout cookies
I like to eat them all night long
I like to eat my girl scout cookies
I like to eat them all night long
I like a plate at night with a glass of milk
Them butter creams go down smooth as silk
I like a plate at night when I'm in my bed
Never let them girl scouts, never let them go to your head
I like to eat my girl scout cookies
I like to eat them all night long
I like to eat my girl scout cookies
I like to eat them all night long
That coconut just drives my wild
I get my cookies fresh from a child
That peanut butter gets stuck to the roof of my mouth
I like my girls scouts east north west and south
I like to eat my girl scout cookies
I like to eat them all night long
I like to eat my girl scout cookies
I like to eat them all night long
Girl scout cookies

Girl scout cookies
Girl scout cookies
Girl scout cookies
It's alright
It's alright bring them cookies over here
I like them mints nobody likes them mints
I like to eat my girl scout cookies
I like to eat them all night long
I like to eat my girl scout cookies
I like to eat them all night long
I like to eat my girl scout cookies
I like to eat them all night long
I like to eat my girl scout cookies
I like to eat them all night long
Girl scout cookies
Girl scout cookies
Girl scout cookies
Girl scout cookies
I like to eat my girl scout cookies
I like to eat them all night long
I like to eat my girl scout cookies
I like to eat them all night long
