

# Hard as Nails

**Ted Nugent**

Yees!

Here I am, I would like to put it to you  
I'm the man, I would like to slip it through you  
On my way to my final destination  
I will not sleep 'til I rock the nation

Here I am  
Hard as nails  
Here I am  
Here I am  
Hard as nails

I'm alive with a burnin' desire  
So look alive, grab my live wire

Here I am  
Hard as nails  
Here I am  
Here I am  
Hard as nails

I say here I am  
Hard as nails  
Say look at me  
Hard as nails...
