I Love You So I Told You a Lie

Everytime I hear your name You know I wonder why You wanted to go I said no You couldn't come along for the ride I said hey, I want outta here And nobody taggin' behind

Don't you know I love you so I told you a lie Love you so I told you a lie When I told you goodbye

A family life and a lovin' wife Just ain't my kinda scene Well when I'm all alone When the nights are cold I get to thinkin' I was kinda mean We couldn't had a good thing But I never wanted to try

Don't you know I love you so I told you a lie Love you so I told you a lie When I told you goodbye You know I told you a lie

Ah, ah ah, ah ah Ah, ah ah, ah ah Ah, ah ah, ah ah Ah, ah ah, ah ah

A family life and a lovin wife Just ain't my kinda scene Well when I'm all alone And the nights are cold I get to thinkin' I was kinda mean We couldn't had a good thing But I never wanted to try

Don't you know I love you so I told you a lie Love you so I told you a lie When I told you goodbye You know I told you a lie When I told you goodbye

Don't you know, I love you so Don't tou know, I love you so I told you Don't tou know, I love you so I told you a lie Love you so I told you a lie I loved you so I told you a lie Loved you so, loved you a lie Loved you so, loved you so Ahhhhh Loved you so I told you a lie Ahhhhh
