

# I Won't Go Away

Ted Nugent

I wasn't afraid of your lightning, baby  
Your thunder was a part of me  
I'd dance with the devil at midnight maybe  
Your threat is a catastrophe

And you can't stop me  
You can't offend me  
I ain't backing down

I'm here to tell you  
I won't go away  
I'm here to stay  
Yeah, I won't go away, away

I'm like a grizzly bear on a rampage  
A firestorm in your face  
Time to assess the damage, baby  
I will not get outta this race

You can't stop me  
You can't offend me  
I ain't backing down

I'm here to tell you  
I won't go away  
I'm here to stay  
No, I won't go away  
I'm here to stay

And I absolutely love your attitude  
Now, you and me  
We should go wild in the night  
Come on

I absolutely love your attitude  
You and me  
We should go wild in the night  
Come on

I won't go away  
I'm here to stay  
I won't go away  
I'm here to stay

I won't go away  
Yeah, I'm here to stay  
I won't go away  
I'm here to stay

I won't go away  
I won't go away  
I won't go away
