Kiss My Ass

C'mon baby,
Yeah, big ol' wet one...hey!
Kiss my ass,

Kiss my ass, (tastes real good)
Kiss my ass, (c'mon, everybody ought'a)
Kiss my ass. (oh...)

Don't waste your time on me
I got my own direction
I'm lookin' for perfection
Watch me close, wait and see
And I'll leave you far behind
I make up my own mind
You can kiss my ass
When the goin' gets tough

I let my dog hump on my shin
I believe in animal rights
I can tolerate sexual choice
I've heard it all before
But not with the next of kin (uh-uh, boy)
I ain't gonna take any more
When the goin' gets tough
You can kiss my ass
Everybody!

Kiss my ass, (pucker up)
Kiss my ass
Kiss my ass

Kiss my ass, (c'mon babe)
When the goin' gets tough
I've heard it all before

And I ain't gonna take no more, no no
Kiss my ass!
I see the weenies with the dirty hair
Protestin' on the street
They condemn the clothes we wear
And the morality of what we eat, yeah
It's gotta be a fluke
When the goin' gets tough
They make me wanna puke

They can kiss my ass
Everybody gotta
