

My Baby Likes My Butter on Her Gritz

Ted Nugent

You know my baby likes my butter in her gritz.
She cant git enuf of my jam.
And when my baby lookin fo double trouble, she know damn well w
here I am
My baby likes my frosting on her cake. I put the caffeine back
in her beans.
And when my baby lookin like double trouble, I know just what s
he need.
Life is one big bbq baby, Im what youre having for dinner.
Consider me the sauce on your fondue baby, shes my oven and I p
ut it in her.
I am her dinner, I put it in her.
