

Savage Dancer

Ted Nugent

She's a crazy lady ripping up the street
She can dance
She's a midnight mover
Never miss a beat
Watch her dance
She's a savage dancer
Savage Dancer
The girl is running wild
Like a maniac, she's insane
Running with the pack
never looking back a deadly game
She's the one who plays hard to get all week
Don't underestimate her
Her moves can turn you on
She's a gladiator
All night long
All night long
