

## Stand

Ted Nugent

STAND!!! STAND!!! STAND!!!

Don't need big brother to wipe my ass,  
Don't need Ted Kennedy to spill my glass.  
Al not so Sharpton is a racist laugh,  
the whole damn world can kiss my ass.

I don't need nobody to hold my hand,  
don't need nobody, I can stand  
make my own way in a rock-n-roll band,  
kiss my ass I'm an American.

Don't need no hippies to ban my gun,  
Don't need no commies no Mao Tse Tung  
rugged independence is a lotta fun,  
I laugh so hard when I see em run.

I don't need nobody to hold my hand,  
don't need nobody, I can stand  
make my own way in a rock-n-roll band,

Don't ya think I'm taxed enuff?  
maybe it's time to call your bluff  
pimps & whores & welfare brats,  
too much government way too fat,

STAND!!! STAND!!! STAND!!! STAND!!!
