Midnight in the cellar
Dinner on the floor
Sleeping in the gutter
He fights a private war
Hiding in the doorway
Weapon at his side
Rob you for a nickel
You'd better run and hide

He's a street rat
Nothing to offer
Street rat
Snake in the grass
Street rat
Steals another meal
Street rat
But it maybe his last

The look of desperation Sure to bite the dust His constant nauseation A real social cross He's a street rat Nothing to offer

Street rat
Snake in the grass
Street rat
Steals another meal
Street rat
But it maybe his last

Post war anti-social A fading of the brain He's hopeless at his high school And lurking in the rain

His face is badly beaten A nasty thing to see Street rats on the rampage You'd best keep away from me
