

# Terminus El Dorado

Ted Nugent

Terminus....

Well...

Cooped up inside the house,  
She had no place to go  
Runnin for the weekend  
Her daddy done told her no.

All alone with the TV set  
Thinkin of things to do  
Gonna call up her best girlfriend  
Cause maybe she can do it too

Her daddy had bought a brand new car  
Shiny red as can be  
A convertible top and a cb too  
"Or maybe he got it for me"

She got the nerve  
She got the keys  
Take it for a little ride  
Aint old enough to drive alone  
But she just couldn't stay inside

Terminus ha ha ha

Ah ha ha ha

Should have listened to your daddy  
Little girl

Ha ha ha

So they cruised downtown to the local run  
Show off a new Cadillac  
A little high, maybe do or die  
She aint gonna make it back

Its a big red El Dorado  
Much too fast for her  
Forgot about tomorrow  
That much is for sure

Ah oh

She didn't see the tandem gravel truck  
Passin on the curve  
Too much fun  
Too little luck  
She didn't have time to swerve
