Terminus Eldorado

Terminus.... Well... Cooped up inside the house, she had no place to go runnin for the weekend her daddy done told her no. All alone with the TV set thinkin of things to do gonna call up her best girlfriend cause maybe she can do it too Her daddy had bought a brand new car shiny red as can be a convertible top and a cb too "or maybe he got it for me" She got the nerve she got the keys take it for a little ride aint old enough to drive alone but she just couldn't stay inside Terminus ha ha ha Ah ha ha ha Should have listened to your daddy little girl Ha ha ha So they cruised downtown to the local run show off a new Cadillac a little high, maybe do or die she aint gonna make it back Its a big red El Dorado much too fast for her forgot about tomorrow that much is for sure Ah oh She didn't see the tandem gravel truck passin on the curve too much fun too little luck she didn't have time to swerve Terminus terminus terminus El Dorado
