

# Wango Tango

Ted Nugent

All right! It's zee Wango, zee Tango  
1-2-3-4  
Come on boys  
Time to Wango

My baby she like to rock  
My baby she like to roll  
My baby she can dance all night  
My baby got no control  
She do the Wango Tango

My baby she can scream and shout  
My baby she can move it out  
My baby she can take a chance  
My baby got a brand new dance

Wango Tango  
Wango Tango  
It's a Wango Tango  
Ooooh yeah! (oooooh..)  
Baby!

My baby like to rock  
My baby like to roll  
My baby like to dance all night  
She got no control  
She do...

Wango Tango  
Wango Tango  
Wango Tango  
Ooooh yeah! (oooooh..)

Yeahhhhhhhhhhh!  
Baby! Baby! Baby!  
Ooooh I like the way you look baby  
You look like you're made for me honey  
If you wanna take a little chance  
I'm gonna show you a new dance

Baby I gotta Wango down  
one time with you honey  
I like it, I like it,  
I like it, I like it, I like it

Well, it's a brand new dance  
Yeah been sweepin' the nation  
I said a brand new dance  
A rock 'n' roll sensation  
Yeah I like it baby, I do it every night  
I got to do it 'cos I like it so much  
Oh honey believe it baby

You see it's a crazed gyration  
of the rock generation  
It's my motivation to  
avoid the nauseation, frustration

When I need some lubrication - Baby!  
Kinda like, goes kinda like this

You take her right ankle out  
You take her left ankle out  
You get her belly propped down  
You get her butt propped up  
Yeah lookin' good now baby

I think you're in the right position now baby  
Yeah but if you ain't quite ready I'll make sure everything is a little bit  
nicer 'cos  
I'm gonna get a little talcum  
I'm gonna borrow it from Malcolm  
Yeah you look so good baby  
I'm startin to drool all over myself  
I got the droolin', droolin'  
get all wet, salivate, salivate  
I got salivate late, salivate late, salivate late  
Got salivate, salivate,  
salivate, salivate, heh heh heh  
Yeah you look so good baby, I like it  
I like it, I like it

You know what I been talkin' about honey  
It's a nice dance, we gotta a nice dance goin' here  
Now what you gotta do, I'll tell you what you gotta do  
You got to pretend your face is a Maserati  
It's a Maserati  
It's a Maserati  
It's a gettin' hotty  
It's a Maserati, Maserati, Maserati  
It's a fast one too man, that thing's turbocharged  
You feel like a little fuel injection honey?  
I'll tell ya about it, I'll tell you about it  
I'll check out the hood scoop  
I gotta get that hood scoop off  
shine and shine and buff  
I gotta buff it up, buff it up  
buff it up, buff it up, buff it up,

Yeah, shiny now baby, heh heh heh  
You've been drivin' all night long  
It's time to put the old Maserati away  
So you look for a garage, you think you see a garage  
Wait a minute, Hey!, there's one up ahead  
And the damn thing's open  
Hello! Get in there!

Is my baby alive? (Is my baby alive?)  
Is my baby alive? (Is my baby alive?)  
Is my baby alive?  
She Wango'd to death

Wango Tango (Wango Tango)  
Wango Tango (Wango Tango)
