

# Last Goodbye

Tedashii

[Intro: Benjah]

I don't wanna be alone (6x)

[Verse 1: Tedashii]

Uh, tears hit her cheeks, like Tyson's glove,  
Pain hits as hard, as she fights for love,  
She says don't go, but the call came,  
It's time to deploy, and they called his name,  
Close to zero five-hundred, her mind starts wanderin'  
Butterflies, tummy starts rumblin',  
Queezy, uneasy, tryin' to hold it all together,  
She doesn't want their last moments here to be unpleasant,  
The car ride is quiet, outside it's hard to fight it,  
Inside it's like she's dyin', that's when she started cryin',  
He tries to comfort her, "Baby, it's alright" - "Liar! "  
That's what she screams louder from the thoughts of fight,  
They pray, it's okay, "I'll promise that I'll be safe" uh,  
That's what he tells her as he looks her in the face  
And as he walks away, lookin' in her eye  
Last kiss as they say...

[Chorus: Benjah]

I pray this is not our last goodbye... goodbye  
I pray this is not our last goodbye... goodbye

[Verse 2: Tedashii]

Uh, graduation; her nine weeks are done  
Hoorah, hooplah, now it's time to move on  
Leavin' out of basic, she just got her assignment  
She's headed off to war and it's hard for her to face it  
Or face her, the daughter that she's leavin'  
It's hard to come to terms with the truth, no one believes it  
And even when it's starrin' in ya face, you don't receive it,  
She hears mommy, and it's just like her heart stopped beatin'  
Beatin', beatin', inhales heavy breathin'  
Worried when she leaves she may not be back to see them,  
Her baby girl, and the family that she loves  
Tryin' to hold back the tears right now is tough  
She fights to stay strong, gotta hold on  
She says a prayer, just tryin' to find a calm  
Thoughts of eternity, then back to reality  
And then she tells her family...

[Chorus: Benjah]

I pray this is not our last goodbye... goodbye  
I pray this is not our last goodbye... goodbye

I don't want to be alone, I don't wanna,  
I don't wanna be alone, no  
(8x)  
(I can't live without you)
