

Bitter

Teddy Geiger

Minutes
Turn into hours
And hours
Bleed into days
It's been years now
Since the trouble
You left me
And I wanna say

I'm not bitter
But I've seen
Better days
I'm not bitter
Is it
The better man
That always
Walks away

No phone call
Or even a letter
No words
To cause me any pain
It's been years now
Since anything
Could hurt me
And through this life
I think my way

I'm not bitter
But I've seen
Better days
I'm not bitter
Is it
The better man
That always
Walks away?
Watch me walk away

I'm not bitter
But I've seen
Better days
I'm not bitter
I'll be
The better man
Watch me walk away

Watch me walk away
(I'm not bitter)
Watch me walk away
(I'm not bitter)
Watch me walk away
