## For You I Will (Confidence)

**Teddy Geiger** 

Wandering the streets, in a world underneath it all Nothing seems to be, nothing tastes as sweet As what I can't have Like you and the way that you're twisting your hair round your finger Tonight I'm not afraid to tell you What I feel about you. I'm gonna muster every ounce of confidence I have and cannon ball into the water I'm gonna muster every ounce of confidence I have For you I will For you I will Forgive me if I st-stutter From all of the clutter in my head Cause I could fall asleep in those eyes Like a water bed Do I seem familiar, I've crossed you in hallways a thousand times, no more camouflage I want to be exposed, and not be afraid to fall. I'm gonna muster every ounce of confidence I have And cannon ball into the water I'm gonna muster every ounce of confidence I have For you I will You always want what you can't have But I've got to try I'm gonna muster every ounce of confidence I have For you I will For you I will For you I will For you If I could dim the lights in the mall And create a mood I would Shout out your name so it echoes in every room, yeah That's what I'd do, That's what I'd do, That's what I'd do, To get through to you I'm gonna muster every ounce of confidence I have And cannon ball into the water I'm gonna muster every ounce of confidence I have For you I will You always want what you can't have But I've got to try I'm gonna muster every ounce of confidence I have For you I will For you I will For you I will For you I will
