

# For You I Will

Teddy Geiger

Wondering the streets, in a world underneath it all  
Nothing seems to be, nothing tastes as sweet  
As what I can't have  
Like you and the way that you're twisting your hair  
round your finger  
Tonight I'm not afraid to tell you  
What I feel about you.

I'm gonna muster every ounce of confidence I have  
and cannon ball into the water  
I'm gonna muster every ounce of confidence I have  
For you I will  
For you I will

Forgive me if I stutter  
From all of the clutter in my head  
Cuz I could fall asleep in those eyes  
Like a water bed  
Do I seem familiar, i've crossed you in hallways  
a thousand times, no more camouflage  
I want to be exposed, and not be afraid to fall.

I'm gonna muster every ounce of confidence I have  
And cannon ball into the water  
I'm gonna muster every ounce of confidence I have  
For you I will  
You always want what you can't have  
But I've got to try  
I'm gonna muster every ounce of confidence I have  
For you I will  
For you I will  
For you I will  
For you

If I could dim the lights in the mall  
And create a mood I would  
Shout out your name so it echos in every room  
I would

That's what I'd do, That's what I'd do to get through to you

I'm gonna muster every ounce of confidence I have  
And cannon ball into the water  
I'm gonna muster every ounce of confidence I have  
For you I will  
You always want what you can't have  
But I've got to try  
I'm gonna muster every ounce of confidence I have  
For you I will  
For you I will  
For you I will  
For you I will
