

For You I Will

Teddy Geiger

Wondering the streets, in a world underneath it all
Nothing seems to be, nothing tastes as sweet
As what I can't have
Like you and the way that you're twisting your hair
round your finger
Tonight I'm not afraid to tell you
What I feel about you.

I'm gonna muster every ounce of confidence I have
and cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I will
For you I will

Forgive me if I stutter
From all of the clutter in my head
Cuz I could fall asleep in those eyes
Like a water bed
Do I seem familiar, i've crossed you in hallways
a thousand times, no more camouflage
I want to be exposed, and not be afraid to fall.

I'm gonna muster every ounce of confidence I have
And cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I will
You always want what you can't have
But I've got to try
I'm gonna muster every ounce of confidence I have
For you I will
For you I will
For you I will
For you

If I could dim the lights in the mall
And create a mood I would
Shout out your name so it echos in every room
I would

That's what I'd do, That's what I'd do to get through to you

I'm gonna muster every ounce of confidence I have
And cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I will
You always want what you can't have
But I've got to try
I'm gonna muster every ounce of confidence I have
For you I will
For you I will
For you I will
For you I will
