

# I'm So Bitter

Teddy Geiger

Minutes turn into hours  
And hours bleed into days  
It's been years  
Since the trouble you left me  
And I wanna say

I'm so bitter  
But I've seen better days  
I'm so bitter  
Is it the better man  
That always walks away?

No phone call or even a letter  
No words to cause me any pain  
It's been years  
Since anything could hurt me  
Through this life  
I'll fake my way

I'm so bitter  
But I've seen better days  
I'm so bitter  
Is it the better man  
That always walks away?  
Watch me walk away

I'm so bitter  
But I've seen better days  
I'm so bitter  
I'll be the better man  
Watch me walk away

I'm so bitter  
Watch me walk away  
I'm so bitter  
Watch me walk away
