

I Won't Say Anything

Teddy Geiger

I can't wait to show you
That I never needed you
See my head in the clouds
Feeling brand new
Oh, but that's all on the outside
On the inside that's not true
I keep me locked in a box
That'll show you

Woah, do you see right through me?
I can't look at you
Without thinking
What did I do?
I can't look at you
Without thinking
What did I do?

Sometimes you don't know just what you got
Until you lose it
I learned a lesson, I guess
I'll never forget

Oh, they say that everything will happen for a reason
I can't remember my own
For letting you go

Woah, do you see right through me?
I can't look at you
Without thinking
What did I do?
I can't look at you
Without thinking
What did I do?

I can't look at you
without thinking
what did I do?
I can't look at you
without thinking
what did I do?
what did I do?
what did I do?
I can't look at you
without thinking
what did I do?
I can't look at you
without thinking
what did I do?
