

She's On My Mind

Teddy Geiger

Goin on missing my baby
Haven't seen her that much lately
and though she seems unchanged by time
She's not even sayin' hello
She said goodbye
I think about it all the time
She's on my mind
I wish I had her in my life
But she said goodbye
Yeah, yeah
She said goobdye
Yeah, yeah
I don't think she knows
What she's doin to me
When she said goodbye
Well she runs from the sound of my feet on the ground
And she screams when I cried out loud
When I cried out loud
She said goodbye
I think about it all the time
She's on my mind
I wish I had her in my life
But she said goodbye
Yeah, yeah
She said goodbye
She said goodbye
I think about it all the time
She's on my mind
I wish I had her on my life
But she's in my mind
Yeah, yeah
She's on my mind
Yeah, yeah
