

Try Too Hard

Teddy Geiger

Love, life
One speaks for the other one, hear
And love, life
One speaks for the other one now
We'll try to get by

Did anyone try too hard
Well I guess I did
I guess I did alright
She'll break my heart

She'll break my heart

'Cause ever since the minute I saw your face
I knew I wanted to be in that place
Next to you, yeah
And now I'll spend my whole life tryin'
To be the one that's in your arms
And I'll try to get by

She'll break my heart
She'll break my heart

Isn't it alright
Why can't it be
Just this once alright
It will be you and me

She'll break my heart
