

# I Don't Love You Anymore

Teddy Pendergrass

I don't love you anymore  
It's just that simple  
No, no, no, not like before  
Such a shame, dirty shame

We can't work it out  
No, not this time  
We can't be together  
We can only be friends

You gotta respect each other  
You gotta reply to your lover  
It could never be,  
It could never be like it was before,  
You don't know what I'm talkin' about

I don't love you anymore  
It's just that simple  
No, no, no, not like before  
Such a shame, dirty shame

I'll take care of my responsibilities  
I'll send you your money  
Every month, you can depend on that  
You better believe that you can

But we can't live together  
This way we'll be much better

'Cause you say you never know  
You say you never know  
Where I'm comin' from  
You see I just got to tell ya

I don't love you anymore  
It's just that simple  
No, no, no, not like before

I just got to tell ya  
I don't love you anymore  
No, no, no, not like before  
I don't love you anymore  
No, no, no, not like before

Said I try, and I try, and I try  
Said I try

I tried being your man  
Tried doing everything that I can  
But we can't make it  
But we can't make it  
We just can't make it  
We just can't make it

Maybe someday  
Once we get our heads together  
Oh, oh, oh oh

Well, we can try baby, try baby

I don't love you anymore  
No, no, no, not like before  
I don't love you anymore  
No, no, no, not like before

I don't love you anymore  
No, no, no, not like before  
I don't love you anymore
