

# If You Don't Know Me By Now

Teddy Pendergrass

If you don't know me by now  
You will never never never know me

All the things that we've been through  
You should understand me like I understand you  
Now girl I know the difference between right and wrong  
I ain't gonna do nothing to break up our happy home  
Oh don't get so excited when I come home a little late  
at night  
Cause we only act like children when we argue fuss and  
fight

If you don't know me by now (If you don't know me)  
You will never never never know me (No you won't)  
If you don't know me by now  
You will never never never know me

We've all got our own funny moods  
I've got mine, woman you've got yours too  
Just trust in me like I trust in you  
As long as we've been together it should be so easy to  
do  
Just get yourself together or we might as well say  
goodbye  
What good is a love affair when you can't see eye to  
eye, oh

If you don't know me by now (If you don't know me)  
You will never never never know me (No you won't)  
If you don't know me by now (You will never never never  
know me)  
You will never never never know me (ooh)
