

# The Love I Lost

Teddy Pendergrass

The love I lost was a sweet love  
The love I lost was complete love  
The love I lost, I will never  
No, no, never love again

I can remember planning  
Building my whole world around you  
I can remember hoping  
That you and I could make it on through

But something went wrong  
We loved each other, we just couldn't get along  
Take a good look at me  
I'm in misery, can't you see?

The love I lost was a sweet love  
The love I lost was complete love  
The love I lost  
I will never, no, no, never love again

I can't remember nothing, no, no, no  
But the good times we used to share, my love  
I'm so sad and lonely  
But without you, my life is so dead

I'm sorry to say  
You go your way and I'll go my way  
It hurts deep inside  
The day we said goodbye, but

The love I lost was a sweet love  
The love I lost was complete love  
The love I lost  
I will never, no, no, never love again

Never, no, no, never love again  
Never, no, no, never love again  
Never, no, no, never love again  
Never, no, no, never love again
