The Whole Town's Laughing At Me

Teddy Pendergrass

The whole town's laughing at me

Yeah, I had your love right here In the palm of my hands And I lost it and I lost it Had a love so new, one a man feel And I lost it and I lost it

Maybe if I had spent more time with you Maybe then, maybe then you'd still be mine Oh and only if I had been just a little more kind to you There'd be no need, for this man to be cryin'

The whole town's laughing at me Silly fool, how'd you lose such a good friend?

Had my dream so near I could reach out and touch it And I lost it and I lost it Had a world complete It was, oh, so sweet And I lost it and I lost it

Maybe if I had spent just a little more time with you Maybe then, maybe then you still be mine Oh and only if I had been just a little more kind to you There'd be no need, for this man to be cryin'

The whole town's laughing at me Silly fool, how'd you lose such a good friend? Oh

Maybe if I had spent more time with you Maybe then, maybe then you still be mine Maybe I think about it And only if I had been just a little more kind to you There'd be no need, for this man to be cryin'

The whole town's laughing at me Silly fool, how'd you lose such a good friend? The whole town's laughing at me Silly fool, how'd you lose such a good friend? The whole town's laughing at me Silly fool, how'd you lose such a good friend?
