

# Turn Off The Lights

Teddy Pendergrass

Turn off the lights and light a candle  
Tonight I'm in a romantic mood, yeah

Let's take a shower, shower together  
I'll wash your body and you'll wash mine, yeah  
Rub me down in some hot oils, baby, yeah  
And I'll do the same thing to you

Just turn off the lights, come to me  
Girl, I wanna give you a special treat, you're so sweet  
Turn off the lights and let's get cozy  
See, you're the only one in the world that I need

I wanna love you, love you all over, yeah  
Over and over and over and over and over and over and over and over again  
Whisper sweet words of love in your ear  
Show you how much I missed you, missed you, my dear

Turn 'em off and come to me  
Tonight, I'm in a sexy mood, baby and light a candle  
Girl, there's something that I, I wanna do to you  
I wanna do, I wanna do to you, baby

Would you mind if I asked you to  
Would you rub me down  
Would you rub me down in some, in some burnin' hot oils, baby, yeah  
I swear, I can do the same thing, the same thing to you, baby

Turn 'em off and let's get cozy  
I wanna give you a special treat, you've been so sweet  
Turn 'em off and come closer  
You're the only one in this whole wide world that I'd ever need

Turn 'em off and light a candle  
You see, there's somethin' I, somethin' I, somethin' I, somethin' I  
Somethin' I wanna do to you, baby

I'm lyin' here waitin', my dear  
You can get what you want any time you want it  
I'm lyin' here waitin', my dear  
Come get what you need, give me what I need

Tell me what you wanna do  
(There's somethin' I)  
Tell me what you wanna do, babe  
(There's somethin' I, somethin' I wanna do to you, baby)  
Tell me what you wanna do  
(Yeah)  
Tell me what you wanna do, babe  
(Yes)

Tell me what you wanna do  
(I've got somethin' in my mind)  
Tell me what you wanna do, babe  
(Somethin' that I've been wantin' to do all the time, yeah, yes)  
Tell me what you wanna do  
(I wanna give you a special treat)

Tell me what you wanna do, babe  
( 'Cause you've been so sweet, yeah, yes)

(Anything that you want, anything that you need, I got it, I got it)  
Tell me what you wanna do  
(I can do it)  
Tell me what you wanna do, babe  
(I'm willin')  
Tell me what you wanna do  
Tell me what you wanna do, babe  
(I'm willin' to try)
