

Wake Up Everybody

Teddy Pendergrass

Wake up everybody, no more sleepin' in bed
No more backward thinkin' time for thinkin' ahead
The world has changed so very much from what it used to
be
So there is so much hatred war an' poverty

Wake up all the teachers, time to teach a new way
Maybe then they'll listen to whatcha have to say
'Cause they're the ones who's coming up and the world
is in their hands
When you teach the children, teach 'em the very best
you can

The world won't get no better
If we just let it be
The world won't get no better
We gotta change it, yeah, just you and me

Wake up all the doctors, make the ol' people well
They're the ones who suffer an' who catch all the hell
But they don't have so very long before the judgment
day
So won'tcha make them happy before they pass away?

Wake up all the builders, time to build a new land
I know we can do it if we all lend a hand
The only thing we have to do is put it in our mind
Surely things will work out, they do it every time

The world won't get no better
If we just let it be
The world won't get no better
We gotta change it, yeah, just you and me
