

# Let's Think About Living

Teddy Thompson

One, two, three, four  
In every other song that I've heard lately  
Some fellow gets shot  
And his baby and his best friend both die with him  
As likely as not

In half of the other songs some cats cryin'  
Well I wish I could die  
Lost most of our happy people  
I'ma wonderin' why

Let's think about livin', let's think about lovin'  
Let's think about the hoopin' and the hoppin'  
And the boppin' and the lovey, lovey dovin'

Let's forget about the whinin'  
The cryin', the shootin' and the dyin'  
The fellow with the switch blade knife  
Let's think about livin', let's think about life

We lost ol' Marty Bobbins  
Down in El Paso a hile back  
And now Miss Patty Page or one of them  
Is a wearin' black

And Cathy's Clown has Don and Phil  
Where they feel like they could die  
If we keep on a losin' our singers like that  
I'll be the only one you can buy

Let's think about livin', let's think about lovin'  
Let's think about the hoopin' and the hoppin'  
And the boppin' and the lovey, lovey dovin'

Let's forget about the whinin'  
The cryin', the shootin' and the dyin'  
The fellow with the switch blade knife  
Let's think about livin', let's think about life

Let's think about livin', let's think about lovin'  
Let's think about the hoopin' and the hoppin'  
And the boppin' and the lovey, lovey dovin'

Let's forget about the whinin'  
The cryin', the shootin' and the dyin'  
The fellow with the switch blade knife  
Let's think about livin', let's think about life  
Let's think about livin', let's think about life
