

Touching Home

Teddy Thompson

Today pain became a real life hurting thing
And the choir of loneliness sang me a song
Now I know just what it means to lose a lifetime dream
'Cause today I can feel it touching home

No longer do I wonder why men have lost their minds
Or wind up in a jungle of flashing neon signs
Now I know just how long a man can last when love is gone
'Cause today I can feel it touching home

No longer do I wonder why men have lost their minds
Or wind up in a jungle of flashing neon signs
Now I know just how long a man can last when love is gone
'Cause today I can feel it touching home
Yes, today I can feel it touching home
