

## Do I Look Worried

Tedeschi Trucks Band

Back in the day when I lie  
he always find.  
Now here you are full around  
Out every night.

I don't have to take it anymore  
And I'm tired of always keep it slow  
All I say  
Do I look worried to you?  
Oh, do I look worried?

Stand in the face, soldier just claims you were wrong  
I try it again, stay 'till the end, but how long?

We've been here so many times  
And I know you've spent me so many lies  
All I say  
Do I look worried to you?  
Oh, do I look worried?  
Ohh, worried to you  
Ohh, 'cause I ain't worried.

Fool me once or twice, you know they say: Shame on you!  
Now that I know with the man he's without you  
I find my way [?] be gone  
'cause there's nothing seems  
All I say  
Do I look worried to you?  
Oh, do I look worried?  
Ohh, worried,  
Ohh, 'cause ain't worried  
Lord, 'cause I ain't worried  
You better, you better be worried  
Ohh, I'm worried, worried, worried, worried

Yeah I ain't gonna take it  
Anymore  
Ohhh!
