

Don't Let Me Slide

Tedeschi Trucks Band

You make me wanna wake up in the morning
You make me wanna to be the best I can
Always searching but never finding
Oh, until you took me by my hand

I let go when I was young
Once abandoned, all my trust was gone

Don't let me slide, it's just a matter of time
Don't let me slide into my dark side

You can't blame me, Lord, for trying
To hide behind the fool that I am
You know I've never been afraid of flying
Just never knew how to land

I let go when I was young
Once abandoned, all my trust had gone

Don't let me slide, it's just a matter of time
Don't let me slide into my dark side

You make me wanna wake up in the morning
Oh, you make me wanna to be the best I can
Always searching but never finding
Oh, until you took me by my hand

Don't let me slide, Lord, it's just a matter of time
Ah, don't let me, don't let me slide
Love, don't let me slide, don't let me slide

Don't let me slide
Don't let me slide

Don't let me slide
Oh lord, don't let me slide
Oh, it's just a matter of time

Oh, don't let me, don't let me slide
Oh, it's just a matter of time
