

Learn How To Love

Tedeschi Trucks Band

Tired of living without
When others have so much
If I could find someone
To bring that loving touch

All this time's been wasted
No more words to spare
If I knew how to love,
I would take you there

I won't let go
And I won't give up
I'm gonna learn how to love you
I'm gonna show you somehow

Is my time over,
Can I learn how to give
Can I throw down these chains
And find a new way to live

I know it won't be easy
All I need is a friend
With you here by my side
I'm ready to start again

I won't let go
And I won't give up
I'm gonna learn how to love you
I'm gonna show you somehow
I won't give up,
I won't let go
I won't give up
I'm gonna learn how to love you
I'm gonna show you somehow
I will love you
When I see you in my dreams
So take my hand and follow me to ecstasy

I'm gonna learn how to love you
I'm gonna show you somehow
Gonna love you, show you how
Gonna love you, show you now
Yeah, loving you yeah, show you how
Gonna love you, let the love come

Show you how, gonna love you
Show you right now.
