

## Learn How To Love

Tedeschi Trucks Band

Tired of living without  
When others have so much  
If I could find someone  
To bring that loving touch

All this time's been wasted  
No more words to spare  
If I knew how to love,  
I would take you there

I won't let go  
And I won't give up  
I'm gonna learn how to love you  
I'm gonna show you somehow

Is my time over,  
Can I learn how to give  
Can I throw down these chains  
And find a new way to live

I know it won't be easy  
All I need is a friend  
With you here by my side  
I'm ready to start again

I won't let go  
And I won't give up  
I'm gonna learn how to love you  
I'm gonna show you somehow  
I won't give up,  
I won't let go  
I won't give up  
I'm gonna learn how to love you  
I'm gonna show you somehow  
I will love you  
When I see you in my dreams  
So take my hand and follow me to ecstasy

I'm gonna learn how to love you  
I'm gonna show you somehow  
Gonna love you, show you how  
Gonna love you, show you now  
Yeah, loving you yeah, show you how  
Gonna love you, let the love come

Show you how, gonna love you  
Show you right now.
