

# The Only One

Teedra Moses

(Oh ohhh, ohh oh ohh, Oh ohhh)  
Never thought you would get me this caught up  
You laid down your slickness and my heart was stuck  
It ain't just the way we move  
I'm really in to you  
I'm so in to you  
(Ohhh oh ohh)  
I love taking journeys through your mind  
From back when you were hustling  
To this glamorous life  
Tell me I'm the one and I'll give you a love divine  
I'll give you a love divine

Missing time with other girls when I know you know what I want  
Love so good your whole heart yearns  
You need me here in your world

Let me be  
Be your only one boy  
Let me be  
Be the only one you want  
...The only one you want  
Be the only one you want

I really didn't ever think you'd be this cool  
All that I'm saying is that I'm rocking with you  
Baby make the move and do what you got to do  
What you got to do  
(just do what you got to do)

(Cause you just)  
Missing time with other girls when I know you know what I want  
(you know all about it)  
Love so good your whole heart yearns  
You need me here in your world

(baby)  
Let me be  
Be your only one boy  
(baby)  
Let me be  
Be the only one you want

I'll be your best friend  
I'll be your love  
I'll be your angel  
If you'll be my star  
Boy what I want  
Is to be everything your heart could want in me  
I'll be your love drug  
I'll take you high  
And give you sweet kisses to bring you back down  
Baby can't you see you got it all in me  
I'll be your everything

Let me be  
Be your only one boy

(that's all I wanna be)  
Let me be  
Be the only one you want  
(that's what I wanna be)

Let me be  
Be your only one boy  
(ohhh oh ohhh)  
Let me be  
Be the only one you want

(Oh oh oh, Oh oh oh, Oh) (3x)  
Be the only one you want  
(Oh oh oh, Oh oh oh, Oh) (3x)  
Be the only one you want
