God Has Created

Teena Marie

With a child's heart I have seen that dreams really do come true...

I love you,

God created you for me to love

I do believe that God above
Created you for me to love

He picked you out of all the rest
Because He knew I'd love you best

I had a heart so big and brave
I had a heart so brave and true

But now I give my heart to you

I love you

God created you for me to love

Take care of it

Take care baby

As I have done

For you have two and I have none...
