Lead Me On

Teena Marie

Turn around to see you in a crowded place I watch for the emotions on a guarded face Saying, "Lead me on"

Victim of a dream and a memory
But when I try to break free
You say to me, "C'mon, lead me on"

A matter out of time in the reaches of space Caught up in the patterns in the light of a life Walk across the bridge to the shadows of the night

Saying, "Lead me on"
Lead me on
Lead me on
On and on
Lead me on

Voices in the night chase the demons away Looking in the mirror it's easy to say Lead me on

The choices of a lifetime in the dreams of a day When the coast is gettin' clearer
I hear you say, "C'mon and lead me on"

A matter out of time in the look on your face Caught up in the patterns in the light of a life Walk across the bridge to the shadows of the night

Saying, "Lead me on"
Lead me on
Lead me on
On and on
Lead me on

Talk to me of lightning, I'll hear what you say, my love Reaching for the meaning, it's all of the way I can keep believing in you and me, my love Finding the answers that we need sometimes it's meant to be

Lead me on

Turn around to see you in a crowded place I watch for the emotions as they cross your face Saying, "Lead me on"

I see you in a dream and a memory A captive of the light you say to me "C'mon and lead me on"
C'mon and lead me on
C'mon and lead me on
Lead me on

Lead me on
Lead me on
C'mon and lead me on
