

# Ooo La La La

Teena Marie

Every time you come around  
I feel my world starts turning topsy-turvy  
And I just can't fight the spin  
Baby, won't you listen to this love  
Whose hearts been missing and don't hurt me  
'Cause I'm falling your way again

Am I weak  
Well, sometimes I just can't hardly speak  
That I have to pinch myself to be sure  
That this love is more than I can endure  
Sweet thing, you've got me singing  
Oh la-la-la  
It's the way that you feel when you know it's real  
Oh la-la-la  
It's the warm that's inside when you're satisfied  
Oh la-la-la  
It's a dream that lasts forever  
Oh la-la-la  
Let's stay together, oh

I can see it there  
That look upon your face is saying love's in making  
Boy, I know what's on your mind  
Love is for the lasting  
And it's yours just for the asking, for the taking  
'Cause I'm falling your way this time

Do I thrill  
Well, sometimes I get subliminal chills  
That I have to pinch myself to be sure  
That this love is more than I can endure  
Sweet thing, you got me singing  
Oh la-la-la  
It's the take to the sky on a natural high  
Oh la-la-la  
It's the heaven that's sent when your heart's content  
Oh la-la-la  
It's a dream that lasts forever  
Oh la-la-la  
Let's stay together  
Oh la-la-la, don't ever go  
'Cause I love you do, I love you so, baby  
Oh la-la-la, don't ever go  
'Cause I'll surely die if you ever say goodbye, my baby

You got me falling  
Falling for you, falling with you  
Falling to you, falling after you  
Falling

Ooh, sweet thing, you got me singing  
Oh la-la-la-la-la-la-la-la-la-la  
Sweet thing, whoa, you got me singing  
Oh la-la-la-la-la-la-la-la-la-la  
Sweet thing, whoa, you got me singing  
Oh la-la-la-la-la-la-la-la-la-la

Sweet thing, oh, you got me singing  
Oh la-la-la-la-la-la-la-la-la-la  
Sweet thing, oh, you got me singing

Oh la-la-la  
It's the way that you feel when you know it's real  
Oh la-la-la  
It's the warm that's inside when you're satisfied  
Oh la-la-la  
It's a dream that lasts forever  
Oh la-la-la  
Let's stay together  
Oh, oh,  
Sweet, oh, oh, oh, oh,  
Oh, oh,  
Sweet thing, oh,

You know everybody  
Sometimes you should just stop  
And take some time out to tell the one you love  
Just how much they mean to you  
Because you see, sometimes the needs of the one  
Outweigh the needs of the many  
And if you understand what I'm talkin' about  
Let me hear you say, "Yeah"  
Let me hear you say, "Yeah, yeah, yeah"  
Let me hear you say, "Yeah, yeah, yeah"  
Let me hear you say, "Yeah"

Oh, I'm givin' up to you  
I said I'm falling (oh la-la-la)  
I said I'm falling (oh la-la-la)  
I said I'm falling (oh la-la-la)  
I said I'm falling (oh la-la-la)  
I said I'm falling (oh la-la-la)  
I said I'm falling (oh la-la-la)  
(oh la-la-la)
