

## Wishing On A Star

Teena Marie

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishing on tomorrow, praying it'll come  
And I'm wishing on all the lovin' we've ever done

I never thought I'd see  
A time when you would be  
So far away from home  
So far away from me

Just think of all the moments that we'd spent  
I just can't let you go, for me you were meant  
And I didn't mean to hurt you, but I know  
That in the game of love you reap what you sow

I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby  
When we're together, whether or never

I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby  
When we're together, whether or never

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishing on tomorrow, praying it'll come  
And I'm wishing on all the lovin' we've ever done

I'm wishing on a star  
To follow where you are  
I'm wishing on a star  
To follow where you are
