

## Fall For Me

Teenage Bottlerocket

Never thought that hanging out  
Was gonna give me a feeling like this  
Never thought you would take my heart  
I had a feeling that wouldn't accept it  
It's totally cool that you and I  
Are gonna spend a lot of time together  
We'll do anything that you want  
Stay at home or do whatever

When up wake I want to wake up right beside you  
When you laugh I want to be the one who made you  
If you're cold I'll let you wear my Ramones sweatshirt  
If you fall I'm gonna make sure that you're not hurt  
Wont you fall for me

Never thought that hanging out  
Was gonna give me a feeling like this  
Never thought you would break my heart  
Turn and give yours back to your boyfriend  
Is there a chance for you and I  
Are we gonna get back together?  
It's only been a couple days  
I hopes its not forever

When up wake I want to wake up right beside you  
When you laugh I want to be the one who made you  
If you're cold I'll let you wear my Ramones sweatshirt  
If you fall I'm gonna make sure that you're not hurt  
Wont you fall for me  
Wont you fall for me  
I want you to fall for me ooh whoa oh oh  
Want you to fall for me ooh whoa oh oh
